

**REMARKS**

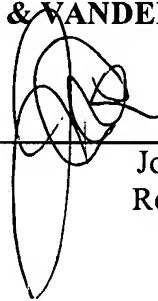

This is in response to the Office Action dated July 14, 2008. Applicant notes with appreciation the Examiner's allowance of claims 10, 12, 14, 16, 18 and 20.

*Allowable subject matter of claims 10 and 12 has been added to claims 9 and 11.* In particular, the phrase "the diffuser processed layer is located on an opposite side of the liquid crystal layer than a reflective electrode of the reflective region" has been added to claims 9 and 11. Thus, all claims are now in condition for allowance.

Respectfully submitted,

**NIXON & VANDERHYE P.C.**
